Preparation

1. Boil 500 ml of water and add the black tea bags. Allow the tea to steep for about 5 minutes to extract a nice and rich flavour. Remove the tea bags and let the tea cool to room temperature.
2. Add the lemon juice to the cooled tea for a refreshing citrus flavour.
3. Stir in the sugar and Taylor & Colledge Vanilla Bean Extract into the lemon tea mixture to balance the tanginess with sweetness and a hint of vanilla flair.
4. Refrigerate the mixture until cold. Fill glasses with ice cubes and pour the chilled Lemon Vanilla Ice Tea over the ice. Garnish each glass with a slice of lemon and a mint sprig for a fresh finish.
